Plenary Session

Development of Renewable Energy in Russian Regions: Economic and Technological Aspects

(Jointly with the Russian Union of Industrialists and Entrepreneurs)

Moderated by Yury Stankevich, Deputy Chairman of the Committee on Energy Policy and Energy Efficiency of the Russian Union of Industrialists and Entrepreneurs

Invited speakers:

Gadzhimagomed Guseynov, First Deputy Minister of Development of the Russian Far East and Arctic

Vladimir Knyagin, Vice-Governor of St Petersburg

Evgeniy Gribov, Director of the Department of the Machine Tool Building for the Fuel and Energy Complex of the Russian Ministry of Industry and Trade

Sergey Esyakov, First Deputy Chair of the Russian State Duma Committee for Energy

Dmitry Vakhrukov, Director of the Department for State Regulation of Tariffs and Infrastructural Reforms of the Russian Ministry of Economic Development

Alexey Zhikharev, Director of the Russia Renewable Energy Development Association/Partner at VYGON Consulting

Viktor Khmarin, Director General of RusHydro

Andrey Saveliyev, Minister of Industry and Energy of the Rostov Oblast

Aleksandr Cherepan, Minister of Energy, Housing and Utilities, and Environment of the Ulyanovsk Oblast

Georgy Kekelidze, Chairman of the Board of NP “EUROSOLAR Russia”

Aleksandr Samarin, Minister of Energy of the Moscow Oblast

Mikhail Molchanov, Director General of Solar Systems

Maksim Zagornov, President of the Distributed Power Generation Association, Director of MKS Group

Andrey Lyashko, Minister of the Fuel and Energy Complex and Housing and Utilities of the Krasnodar Krai

Viktoria Mangutova, Acting Minister of the Housing and Utilities and Energy of the Republic of Kalmykia

12:30-13:45

Pavilion No.8

Panel Discussion

Development of the Energy Infrastructure in Remote Areas of the Far East and Arctic Using Advanced Renewable Energy Sources and Thermal Generation Technology: Prospects for Building Hybrid Energy Complexes

(Jointly with the Distributed Power Generation Association and the Corporation for Development of the Far East and Arctic)

Moderated by Maksim Zagornov, President of the Distributed Power Generation Association, Director of MKS Group

	<p>Invited speakers: Vladimir Sofin, Director of the Innovations Department of RusHydro Vasily Potemkin, Managing Director of the Corporation for Development of the Far East and Arctic Marina Minina, Chair of the Arctic Council of the Eurasian Peoples' Assembly Sergey Alekseenko, Academician of the Russian Academy of Sciences, Research Supervisor of the Institute of Thermophysics of the Siberian Branch of the Russian Academy of Sciences Yury Vasiliev, Executive Director of the Arctic Technology Institute of the Moscow Institute of Physics and Technology Elena Panteleeva, Director of the Autonomous Power Engineering Center of the Moscow Institute of Physics and Technology Georgy Kekelidze, Chairman of the Board of NP "EUROSOLAR Russia" Aleksey Khokhlov, Head of the Electric Power Area of the Moscow School of Management Skolkovo Anton Usachev, Director of the Photovoltaic Industry Association Igor Bryzgunov, President of the Russian Association of Wind Power Industry Yury Rumyantsev, Deputy Director General of MNPO Energospetstekhnika Denis Urmanov, Deputy Director General for Research of Sovtest ATE</p>
